Purchasing a parking permit does not guarantee a parking space. **Please initial each guideline as you read it.** Because of the limited number of parking spaces on the school campus, the following guidelines are in effect:

- \_\_\_\_\_ 1. Parking permits are available to **Seniors** only, for a **\$10.00** fee.
- \_\_\_\_\_ 2. Student must park in a legal, designated student spot. **Senior** parking will be in the parking lot on **Lake Drive adjacent to the track.**
- \_\_\_\_\_ 3. If all parking spots are full when you arrive at school, **you must find another legal place to park your car off campus.**
- \_\_\_\_\_ 4. Students **may not** park anywhere in the following areas: in front of the building, the staff lot on Bagley, the staff lot behind the school adjacent to the football field, fire lanes, tow-a-way zones, handicapped spots, or grassy areas.
- \_\_\_\_\_ 5. Failure to park in a legal student assigned space or failure to have a current sticker will result in having your car ticketed or **towed at student's expense.**
- \_\_\_\_\_ 6. **NO WARNINGS WILL BE GIVEN PRIOR TO TOWING. TOWING COSTS CAN EXCEED \$200.00.**

---

I have reviewed this policy and agree to abide by the above rules and regulations to park legally and in legal student spaces in my assigned lot, and, if no legal spaces are available, to park in a legal place off campus.
