

**EAST GRAND RAPIDS HIGH SCHOOL  
CLASS OF 2017  
COMMUNITY-BASED LEARNING PROJECT**

On the morning of Tuesday, April 11, 2017 all 9<sup>th</sup>–11<sup>th</sup> grade students will be participating in state required standardized testing. All 12<sup>th</sup> grade students are excused from school on this day.

As a result of not attending school on April 11, seniors will need to complete four (4) hours of one or more documented learning experiences to fulfill State of Michigan attendance requirements. Over the next several months we encourage each senior to find something he/she is interested in, excited about, and can learn from.

Learning experiences may include job shadowing, college visits, or community service projects at organizations such as Habitat for Humanity, Goodwill, God’s Kitchen, Kid’s Food Basket, the library, a city recreation department or a local nursing home, church or neighborhood. The goal is to have each senior be involved in some type of learning situation outside of the classroom. These 4 hours of learning experiences are a State of Michigan requirement.

The bottom portion must be returned to school by **Friday, April 14, 2017** or students will be required to attend two (2) Saturday school sessions scheduled for April 22, 2017, and April 29, 2017.
