

AP Registration 2019-2020

The College Board, creators of Advanced Placement, recently announced significant changes to the AP exam ordering process, deadlines, late fees, and cancellation fees that have been mandated for all schools starting with this school year. Rather than ordering our AP tests in the spring, as in the past, we are now required to order our exams in the fall. Therefore, at EGRHS, our AP exam registration for this year will open on September 9 and end on September 24, 2019.

If your student misses the first registration window, there will be a late registration window that will run from September 25 through October 1, 2019; however, if registering during this late window, the student will incur a \$50 late fee per exam. In addition, a \$40/exam cancellation fee, assessed by the College Board, will be charged for any ordered exam that is canceled after November 15, 2019. The ordering deadline for second semester only courses will be March 6, 2020.

To register for your AP exams, students must go to our Total Registration [website](#) and complete all requested information and submit payment. To access the spring 2020 AP testing calendar, please click [here](#) to view available tests. If you have any questions or concerns regarding AP testing, please contact Mrs. Carmen Weigel at caweigel@egrps.org or Mrs. Carolynne Allaben at csallaben@egrps.org.
